

NEW MEXICO OIL CONSERVATION COMMISSION

Santa Fe, New Mexico

MISCELLANEOUS REPORTS ON WELL

Submit this report in triplicate to the Oil Conservation Commission or its proper agent within ten days after the work specified is completed. It should be signed and sworn to before a notary public for reports on beginning drilling operations, results of shooting well, results of test of casing shut-offs, result of plugging of well, and other important operations, even though the work was witnessed by an agent of the commission. Reports on minor operations need not be signed and sworn to before a notary public. See additional instructions in the Rules and Regulations of the Commission.

Indicate nature of report by checking below:

INTERNATIONAL CONFERENCE ON THE HISTORY OF THE AMERICAN WEST

REPORT OF THE CONFERENCE

The International Conference on the History of the American West was held at the University of California, Los Angeles, from September 15 to 18, 1964. The conference was organized by the American Historical Association and the Western Historical Association.

The conference was attended by approximately 100 scholars from various countries, including the United States, Canada, Mexico, and Europe. The main topics of discussion were the history of the American West, the role of the frontier, and the impact of the West on the rest of the United States.

The conference was held in a beautiful setting at the University of California, Los Angeles. The speakers included some of the leading scholars in the field of American history. The conference was a great success and provided a valuable opportunity for scholars to discuss their work and to learn from each other.
