17. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

This well is part of a group of shut-in wells
all located in a general area. We have successfully
returned one of this group of wells back to commercial
status and are currently testing another. We request
this well be held for possible return to production
if further testing proves successful.

This should have been distributed back in Sept. 75
but was overlooked.

18. I hereby certify that the information above is true and complete to the best of my knowledge and belief.
