Title

EPK-IGN

1944

1. The first part of the report is a general statement of the purpose and scope of the study. It is followed by a brief review of the literature on the subject.

2. The second part of the report is a description of the methods used in the study. This includes a discussion of the subjects, the instruments used, and the procedures followed.

3. The third part of the report is a presentation of the results of the study. This is done in the form of a series of tables and graphs, which are accompanied by a detailed discussion of the findings.

4. The fourth part of the report is a discussion of the implications of the findings. This includes a consideration of the theoretical and practical significance of the results, and a suggestion for further research.

5. The fifth part of the report is a conclusion. This summarizes the main findings of the study and states the author's conclusions.

6. The sixth part of the report is a list of references. This includes a list of all the books, articles, and other sources used in the study.

7. The seventh part of the report is an appendix. This contains a list of all the data collected during the study, and a copy of the questionnaire used.

8. The eighth part of the report is a list of all the names of the people who helped in the study. This includes the names of the subjects, the assistants, and the author.

9. The ninth part of the report is a list of all the names of the people who helped in the study. This includes the names of the subjects, the assistants, and the author.

10. The tenth part of the report is a list of all the names of the people who helped in the study. This includes the names of the subjects, the assistants, and the author.

11. The eleventh part of the report is a list of all the names of the people who helped in the study. This includes the names of the subjects, the assistants, and the author.

12. The twelfth part of the report is a list of all the names of the people who helped in the study. This includes the names of the subjects, the assistants, and the author.

13. The thirteenth part of the report is a list of all the names of the people who helped in the study. This includes the names of the subjects, the assistants, and the author.

14. The fourteenth part of the report is a list of all the names of the people who helped in the study. This includes the names of the subjects, the assistants, and the author.

15. The fifteenth part of the report is a list of all the names of the people who helped in the study. This includes the names of the subjects, the assistants, and the author.

16. The sixteenth part of the report is a list of all the names of the people who helped in the study. This includes the names of the subjects, the assistants, and the author.

17. The seventeenth part of the report is a list of all the names of the people who helped in the study. This includes the names of the subjects, the assistants, and the author.

18. The eighteenth part of the report is a list of all the names of the people who helped in the study. This includes the names of the subjects, the assistants, and the author.
