Re: Oil and Gas Lease
Las Cruces 060325

Dear Sir:

Reference is made to your letter of March 15th advising that all production from well No. 7 Leonard "E" located in the SW $\frac{1}{4}$ NW $\frac{1}{4}$, section 4, T. 17 S., R. 30 E., Square Lake Pool, Eddy County, New Mexico, subsequent to January 1953, the date the well was plugged and abandoned, should be credited to well No. 8 Leonard "E" located in the SE $\frac{1}{4}$ NW $\frac{1}{4}$, section 4.

In office letter of March 8, to your Dallas office, it was requested that a corrected and consolidated report be submitted. This consolidated report should be submitted in quadruplicate on our form 9-329, Lessee's Monthly Report of Operations.

Blank forms are enclosed for your convenience.

Very truly yours,

(Orig. Sgd.) JOHN A. FROST

John A. Frost
District Engineer
