POST OFFICE BOX 752

BRECKENRIDGE, TEXAS

June 29, 1960

New Mexico Oil Conservation Commission 321 Carper Buikling Artesia, New Mexico

Attention: Mr. M. L. Armstrong

Gentlemen:

Enclosed herewith is the original and four carbon copies of Form C-110, for our Dexter Federal "L" #1 well in the Grayburg Jackson Pool, Eddy County, New Mexico.

There has been some confusion about the exact location of this well, and after careful inspection of our records we find that the well is located in the NW SE Sec. 15, T 17 S, R 30 E, which would place it in Unit "J". Therefore, we are submitting the above mentioned form to correct all previous reports that have indicated the well in Unit "L".

If this is not the correct procedure for amending the unit designation, please let us know.

Very truly yours,

GRARIDGE CORPORATION
