13. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)\*

Premier Oil & Gas, Inc., has been involved in an estate settlement. We are just now proceeding with geological opinions and mapping prior to testing the shallow zones in this well. It will prevent a duplication of expense if you will allow an extension of compliance date. We respectfully request this in order to more completely evaluate and proceed with our workovers.
