Attention: Mr. L. A. Hanson

Gentlemen:

Reference your letter of February 6, 1956 regarding Form C-110 reflecting change of ownership from Yancey-Harris Company to Bright & Schiff, attached is the Form C-110 for the Etz-State No. 8, Unit "E", Sec. 16-17S-30E in Grayburg-Jackson Pool in Eddy County.

Regarding the Etz-State No. 5-A, Unit "I", Sec. 16-17S-30E, we are of the opinion that this matter had been concluded verbally between you and our Midland, Texas District Engineer, Hugh Meyer in November of 1954.

However, we are attaching photo copies of Forms 102, Form 103, and Form C-105 covering the operations of drilling and plugging this well. If these reports do not supply the information necessary for the commission to classify this well as plugged and abandoned, please advise.

Very truly yours,

Bright & Schiff
