Dear Sir:

In reply to your letter of October 20, 1954, with reference to my letter of October 15, 1954, and the above mentioned well, I wish to correct the date of the filing of the form C-102 Notice of Intention to Drill Deeper, in which I had said it was March 26, 1954 and it was dated March 25, 1948 and approved April 10, 1948 by Justin Newman, Artesia Representative of the Oil Conservation Commission.

For further clarification of this matter, we have enclosed herewith a copy of the form C-102 from our well file.

Yours very truly,
