

Office Memorandum • UNITED STATES GOVERNMENT

TO : Franklin, Aston & Fair, Inc.
Attention: Mr. Tom Stevens

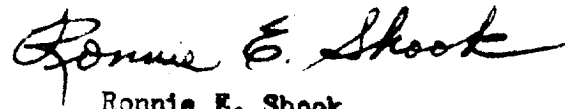

DATE: January 18, 1963

FROM : U. S. Geological Survey, Artesia, New Mexico

SUBJECT: Lease Las Cruces 054280, Well No. 2-A McIntyre

Since our recent telephone conversation it has been determined that subject well should be classified as a producing gas well and that it should be reported each month on Form 9-329, Lessee's Monthly Report of Operations. Please show the estimated amount of gas used each month with an explanation that the gas is not sold but used on the lease.

Very truly yours,

Ronnie E. Shook
Acting District Engineer
