Completion or Recompletion Report and Log form.)

17. DESCRIBE PROPOSED OR COMPLETED OPERATIONS (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)\*

This well has been temporarily abandoned since September, 1970 pending more favorable conditions for the economic operation of this stripper well.

Plans are to re-activate this well for production and evaluation for production stimulation by fracture treatment.
