It is government's duty to protect the rights of its citizens and to ensure that the justice system is fair and impartial. The government has a responsibility to ensure that the courts are free from political interference and that the judiciary is able to perform its duties without fear or favor. The government must also ensure that the courts are accessible to all citizens and that the legal system is efficient and effective. The government must also ensure that the courts are able to handle the increasing number of cases that are being filed in the courts.
