Santa Fe, New Mexico

NOTICE OF INTENTION TO DRILL

HOBBA DAR

Notice must be given to the Oil Conservation Commission or its proper agent and approval obtained before drilling begins. If changes in the proposed plan are considered advisable, a copy of this notice showing such changes will be returned to the sender. Submit this notice in triplicate. One copy will be returned following approval. See additional instructions in Rules and Regulations of the Commission.

TOWNSEVATION COMMISSION, tate F, New Mexico, ntiemen: You are hereby notified that it is our intention to commence the drilling of a well to be known as	T. CONSED			Itlahoma	 E	July 28,	DATE
The well is 130! Feet (N) We of the Seath line and 130! (Give location from section or other legal subdivision lines. Cross out wr. (Give location from section or other legal subdivision lines.
