Mr. R. L. Stamets, Geologist
New Mexico Oil Conservation Commission
P. O. Drawer DD
Artesia, New Mexico

Dear Mr. Stamets:

As I wrote you a day or two ago, Jackson "B" 22-K and 23-J in Section 24, 17 South, 30 East, Jackson Abo Pool of Eddy County, have been shut in for lack of pipe line outlet due to strikes in the Sinclair Refineries. Neither of these two wells has produced since the middle of July.

At such time as both of them go back on production, proper gas/oil ratio forms will be sent you.

Yours truly,

NASH, WINDFOHR & BROWN
