Re: Jackson B # 23 Unit J Sec.24-17S-30E
Eddy County, New Mexico

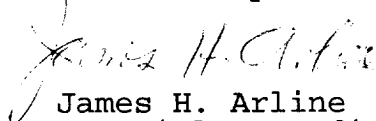

Gentlemen:

Enclosed is the proper 3160-5 with some revisions for the lease designation, location information and some changes in the proposed plugback for this well. I have also included a copy of the originally approved 3160-3 that had these errors on our part. This revised form 3160-5 has been submitted to BLM for re-approval.

We have received the State approval dated April 8, 1995 for our C108 that was submitted for this project.

Please contact the undersigned if you should have any questions or comments.

Yours truly,

James H. Arline
Materials Coordinator
