17. DESCRIBE PROPOSED OR COMPLETED OPERATIONS (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)\*

This well has been temporarily abandoned since January, 1970, and on January 18, 1975, notice of intent was filed to plug and abandon well.

Well has not been plugged, and we are now proposing to re-activate this well for production in the unitized Grayburg formation with consideration to be given to remedial work to improve productivity.
