Re: Carper-Sivley-Sergeant Joint Acct.
Sergeant #4-A 27-178-30

Attached report shows Cities Service Oil Co.
as present operator. Please send a copy of
your operator change from CarperSivley-
Sergeant Joint Acct. to Cities Service Oil
Co..

Thanking You,

It has been our practice on
non producing Federal Wells
to accept forms such as the one
attached as a change in
ownership - even though it does
not say change in ownership.
The Federal Office will not
approve these unless they
have a designation of operator
or the lease has been sold to
~~the~~ the new operator.
The same is true on the attached
mud well.
