TITLE

OIL AND GAS INSPECTOR

This form is to be filed in compliance with rules and regulations of the Oil Conservation Division. If this is a request for allowable for a newly drilled or deepened well, this form must be accompanied by a translation of the deviation log to show the well in accordance with rule 11.1. The completion of this form must be filed with the division, for oil and gas wells, and a copy to the owner. If this is a request for allowable for a well already producing, the owner must file this form with the division, for oil and gas wells, and a copy to the owner. If this is a request for allowable for a well already producing, the owner must file this form with the division, for oil and gas wells, and a copy to the owner.
