(Other)	<input type="checkbox"/>	(Other)	<input type="checkbox"/>

(NOTE: Report results of multiple completion on Well Completion or Recompletion Report and Log form.)

This oil producer has been temporarily abandoned since April 11, 1971. At the present time we are recompleting most of these wells in Section 31 to produce from the Premier. This well will be recompleted as a Premier producer as development continues. Federal M #5, an immediate offset, now produces 15 BOPD after being recompleted in the Premier.
