(NOTE: Report results of multiple completion on Well Completion or Recompletion Report and Log form.)

17. DESCRIBE PROPOSED OR COMPLETED OPERATIONS. (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)*

This oil producer has been temporarily abandoned since April 1971. Our future plans call for this well to be recompleted as a Premier producer as development progresses. Federal M #5, an immediate offset, averages 12 BOPD after being recompleted in the Premier.
