Gentlemen:

We are herewith returning a copy of the latest Form C-104 on the above captioned well. Form C-104 was approved August 30, 1965. However, an error in the location of this well has been brought to our attention. Our file shows the footage to be 990/N 990/W, the attached C-104 shows the footage to be 990/N 330/E, please file a corrected C-104 showing the correct footage.

Very truly yours,

Oil Conservation Commission
