 OF THE

Shut In Status

NOTE: Report results of multiple completion on Well Completion or Recompletion Report and Log if run.

10. Remarks (Remarks on the bottom, including estimated date of starting any dredging, subsurface location and measured and true vertical depths for all markers and zones put down, etc.)

We propose to Plug and Abandon as soon as an agreement can be reached with partner.

Well was shut in April, 1966 for economical or mechanical reasons.

Proposed work will be attempted within the next 10 months.
