17. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

These two injection wells were originally part of a secondary recovery program by waterflooding which was never completed due to lack of funds.

New ownership of these wells are contemplated after December 31, 1974, at which time new plans will be made for completion of the waterflood project.

18. I hereby certify that the information above is true and complete to the best of my knowledge and belief.
