Gentlemen:

We are in receipt of forms C-103, C-104, C-110, and C-105 on your Featherstone Well No. 4, Unit D, Sec. 2-17S-31E. We are returning form C-103 and request that you submit three (3) copies of this form on each string of casing run, reporting results of test of casing shutoff, also indicating the length of time set before drilling out. This form should have been filed within ten days following completion of test (as per Commission Rule 1106).

Please submit these forms to this office as soon as possible so that your completion report may be approved.

Very truly yours,

OIL CONSERVATION COMMISSION
