Artesia, New Mexico

Dear Mr. Armstrong:

In the Form C-104, Request for an Allowable for our No. 2-L Tidewater-State of New Mexico well in Section 2-17S-31E, Robinson Pool, Eddy County, we made a typographical error in the space provided for the "Date first new oil run to tanks". We show this as 10-19-60 when it should have been 11-19-60.

Your First Allowable Assignment, our copy of which is returned with this letter, for this well dated November 29, 1960, assigned a full month's allowable to this well which we feel you would not have granted except for the above-mentioned typographical error and feel that you will wish to issue a corrected allowable for the month of November.

We regret the inconvenience caused by this error.

Very truly yours,

W. Paul Edman
