Gentlemen:

I am returning herewith our "Notice of Intention to Drill" Well No. 3 H. E. West in Eddy County, New Mexico, which you approved on July 9, 1938, with request that you cancel same, as this well will not be drilled at the present time.

I hope that this will not cause your office any inconvenience. Should we change our plans at a later date, we will file a new notice.

Very truly yours,

DANA H. KELSEY.
