Dear Bob:

I am enclosing Form C-104 which I have approved for the Sinclair Oil and Gas Company's Keel B #6-F, Grayburg-Jackson Pool. I have advised Mr. Goddard, who brought in the form, that since this was merely a deepening job in the same pay zone the Form C-104 was not necessary but since he had already made it out I was glad to get it so that a copy could be put in our files. I am keeping one copy from which to write the supplement and forwarding the rest to you for your usual distribution.

Yours very truly,

OIL CONSERVATION COMMISSION
