Oil Conservation Commission
Santa Fe, New Mexico

Gentlemen:

This is in regard to the drilling bond of Murchison and Closuit, Inc., who have taken over the Artesia Pipe Line Company, and are now drilling a well on state land in NE1/4 of Sec. 16, T. 17 S., R. 31 E.

It seems as if these people wish a personal bond for the drilling of this well. Kindly advise Mr. J. H. Randle, Artesia, New Mexico, whether or not the above-mentioned company will be permitted to make a personal bond or whether it will be necessary for them to have a surety company bond.

Very truly yours,

FJV;t

F. J. Vesely.
