(Note: Report results of multiple completion on Well
Completion or Recompletion Report and Log form.)

1. This form is to be used to report on wells which are shut-in, plugged, or otherwise abandoned. It is to be filled out by the owner or operator of the well. It is to be filled out for all wells which are shut-in, plugged, or otherwise abandoned, regardless of whether or not the well is producing. It is to be filled out for all wells which are shut-in, plugged, or otherwise abandoned, regardless of whether or not the well is producing. It is to be filled out for all wells which are shut-in, plugged, or otherwise abandoned, regardless of whether or not the well is producing.

We request this well be held for possible recompletion in the Seven Rivers Zone.
One well has been recompleted in this area recently and is testing.

Well was shut in October, 1972 for economical or mechanical reasons.

After feasibility studies are completed work should be commenced within the
next two years.
