Re: State 21 #1-P, 21-17-29,
Eddy County, New Mexico

Dear Mr. Tracey:

To date this office has not received a notice of connection from the gas transporter on the subject well. The allowable will not be assigned until said notice has been received.

recd. 5-6-71
Further, the acreage dedication requirements for this pool is now 320 acres. Therefore you should file a new Form C-102, Well location and acreage dedication plat showing 320 acres dedicated to the well. If more than one lease is dedicated they must be communitized.

If you have any questions please feel free to call upon me.

Very truly yours,

OIL CONSERVATION COMMISSION
