O. C. C. ARTESIA, OFFICE

Mr. W. A. Gressett Supervisor and Oil and Gas Inspector Oil Conservation Commission Drawer DD Artesia, New Mexico 88210

Dear Mr. Gressett:

The location of Texas American Oil Corporation's Etz C State, No.8, as determined November 9, 1971, by Mr. James H. Brown, Land Surveyor, was found to be 2560' FNL and 780' FWL, Section 16-T17S-R 30E, Eddy County, New Mexico.

This well location, if shown different on other records, is incorrect.

The attached surveyor's plat locates the No. 17 Etz C State well 1880' FNL and 660' FWL or 100' North of a Southern Union Gas line.

Yours, very truly,

Roy/K. Valla Production Manager
