INSTRUCTIONS

General: This page is designed for submitting a complete and correct well completion report and log on all types of lands and leases to either a Federal agency or a State agency, or to both, pursuant to applicable Federal and/or State laws and regulations. Any necessary special instructions concerning the use of this form and the number of copies to be submitted, may be obtained from the agency with regard to well, lease, or tract and procedures and methods, either are shown below or will be issued by, or may be obtained from, the local Federal office in charge of the well, lease, or tract. See instructions on pages 2, 3, 4, and 5B, below regarding separate reports for separate well sections.

If you are required to file this summary report as part of a larger and voluntary reporting requirement, you may file this summary report as part of the larger report. However, if you are required to file this summary report as part of a larger and voluntary reporting requirement, you may file this summary report as part of the larger report. However, if you are required to file this summary report as part of a larger and voluntary reporting requirement, you may file this summary report as part of the larger report.

[illegible]

Item 18: There is a checkmark next to each of the following in the box and therefore, below for each item, should be given in other spaces on this form and in any attachments.

Item 24 Submits a separate report page on this form, separately identified, containing information about each of your products.
