Re: Change in pool name

Gentlemen:

As the result of Commission Order R-5011 the North Fren Yates-Seven Rivers Associated Pool was abolished, and the vertical limits of the Grayburg Jackson Pool extended to include the Seven Rivers formation, except in that area where said pool is overlain by the Fren-Seven Rivers Pool.

Therefore, the following described wells have been placed in the Grayburg Jackson Pool.

Loco Hills B Federal #1-P, 9-17-30
" " " " #8-K, "

This change in nomenclature has been made in our files. Please change your records to reflect the proper pool name. All subsequent reports must show this nomenclature until further notice.

Transporters are advised, by copy of this letter, to change their records to reflect this change in pool name.

Sincerely yours,

OIL CONSERVATION COMMISSION
