Re: State 28 Com #2-K
28-17-29
Eddy County, New Mexico

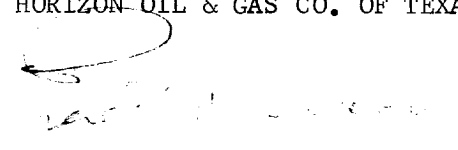

Gentlemen:

Regarding your letter of February 16, 1979 concerning Packer Leakage Test on the subject well.

Please be advised that well is not presently capable of producing from either zone due to mechanical problems. An extensive workover is anticipated in the near future, when workover is completed and well put back on line we will immediately run the Packer Leakage Tests.

Yours very truly

HORIZON OIL & GAS CO. OF TEXAS

Re: State 28 Com.
#2-K 28-17-29
Eddy County, NM

Gentlemen:

As of this date, we have not received the annual Packer Leakage Test which was due to be filed with this office by October 10, 1978 on the subject well.

Failure to comply will result in turning this matter over to our attorney for legal action.

Sincerely yours,

Mike Williams

RE: Horizon Oil & Gas Co.
State 28 Com #2 K -
28 - 17 - 29
Eddy County, New Mexico

Gentlemen:

Please be advised that one zone of the above mentioned lease has loaded up with fluid and we are waiting on workover rig to kick off zone.

As soon as well is back on Production we will run Packer Leakage test.

We estimate well should be back on line and test completed by January 10, 1979.

Yours very truly,

HORIZON OIL & GAS CO. OF TEXAS
