Grayburg Morrow Pool

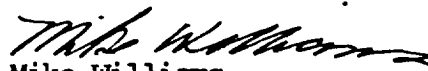

Gentlemen:

We have received the Notice of gas connect from Phillips 66 Natural Gas Co. for the above captioned well showing the well was connected August 4, 1989.

The last C-104 we have is dated 1974, showing Navajo Refining Co. as transporter of condensate and Transwestern Pipeline for gas.

Please submit a new C-104 showing current transporters.

Sincerely,

Mike Williams
Supervisor District II
