

Figure 1 illustrates the experimental setup. A subject is seated at a table, viewing a video screen. A camera is positioned above the screen. A target is located on the screen. A horizontal line is drawn on the screen, representing the target position. The subject's hand is positioned at the start of the movement. The distance from the start to the target is labeled as 'distance'. The distance from the start to the horizontal line is labeled as 'distance_0.5'. The distance from the horizontal line to the target is labeled as 'distance_0.5'.
