Gentlemen:

Amoco Production Company respectfully submits this request for an exception to Rule 4 of Order R-4784, and in accordance with Rule 5 of the same order, this is a request for an unorthodox well location. This unorthodox location is necessitated due to the well's completion in the Wolfcamp zone instead of the Morrow to which the well was originally drilled.

By certified mail, a copy of this application is being submitted to Tenneco Oil Company, 1200 Lincoln Tower Building, Denver, Colorado 80203, the only offset operator of the proration unit.

Yours very truly,
