Gentlemen:

We hereby acknowledge receipt of Federal Form 9-330, Well Completion Report and Log, and Commission Form C-104, Request for Allowable and Authorization to Transport Oil and Natural Gas, on the subject well.

However, to date we have not received the deviation tests. In accordance with Rule 111, a tabulation of all deviation tests run, sworn to and notarized, shall be filed with Form C-104.

Further, the allowable for this well will be assigned upon receipt of the deviation tests and a Notice of Gas Connection from the gas transporter.

If you have any questions concerning this matter, please feel free to call upon me.

Sincerely yours,

W. A. Gressett
