Gentlemen:

This office received your Gas-Oil Ratio Test on the above captioned well, January 18, 1985. On the C-116, you request an allowable for the well.

We cannot assign an allowable until all paperwork has been received by this office. At this time, all we have received for this well is the Application to Drill.

Please send a copy of all the information sent to the Federal Office. As soon as we receive the necessary paperwork, we will assign an allowable.

Very truly yours,

Les A. Clements
Supervisor, District II
