and the following information: complete current and local state of account details, and complete data, including estimates, on a return on pay and interest (see Table 11.13).

On 12-20-85

We ran 296' of 8 5/8" 24 lb. casing, cemented with 200 sacks. Circulated cement.

After waiting 18 hrs. pressure tested 600 lbs. 30 minute test.

Tested O.K. Drilling continued.

I hereby certify that the information above is true and complete to the best of my knowledge and belief.
