

2. Which was applicable to the reservoir from which natural gas is produced; and
3. Which applied to any other well which either produced natural gas in commercial quantities or the surface drilling of which began before February 19, 1977, and was thereafter capable of producing natural gas in commercial quantities.

That she has concluded that to the best of her information and knowledge the natural gas for which she seeks a determination is produced from a new onshore production well; and that she has no knowledge of any other information not described in the application which is inconsistent with this conclusion.

She further states that she has mailed, or caused to be mailed, postage prepaid, a copy of the completed Form FERC 121, Application for Determination of the Maximum Lawful Price Under the Natural Gas Policy Act, to the purchaser and to the working interest owners, which are listed separately.

To the best of her knowledge and belief, all information contained in the application for category determination, pursuant to the NGPA, is true and correct including all documents, testimony, and evidence submitted with the application.
