Re: LC 028784
Grayburg Deep Unit #9
Section 24-17S-29E
Eddy County, New Mexico

Gentlemen:

We have not obtained our plugging bond for the State of New Mexico. We think the attached change of operator application was approved by mistake.

We would like to withdraw our application and leave Phillips as operator of this well.

Yours very truly,

WILSHIRE OIL COMPANY OF TEXAS

W. D. Stancliffe
Vice President, Engineering and Production

WDS/pr
