RE: Change of Ownership  
Grayburg Deep Unit, Well #9-P  
S 24, T 17S, 4 29E

Gentlemen:

In reference to your letter of June 9, 1987, requesting that your change of operator from Phillips to Wilshire be withdrawn, the form C-104 had already been distributed by the time we received your letter. Therefore, a new C-104 should be filed by Phillips stating that they are the operator rather than Wilshire Oil Company of Texas.

Please have Phillips refile designating themselves as operator.

Yours very truly,

  
Les A. Clements  
District Supervisor
