Artesia, New Mexico 88210

Dear Sir:

The table below shows an additional well recently drilled in the Grayburg Jackson field that has encountered water flows during drilling operations.

<u>Well Name</u>	<u>Depth</u>	<u>Rate of Flow</u>
J. L. Keel "A" #19Y	723'	10-12 BPM

If you have any questions or need further information, please let me know.

Sincerely,

*Karen Byers*
