1. The first part of the document is a list of names and dates, which are arranged in a table. The names are written in a cursive script, and the dates are written in a simple, clear font. The table is organized into two columns, with the names in the left column and the dates in the right column. The names are listed in alphabetical order, and the dates are listed in chronological order. The table is a simple, clear representation of the data, and it is easy to read and understand.
