Re: \$5,000.00 drilling bond with E. S.
McAuliffe, Principal, and National
Surety Corp., Surety, for one well
upon SW1/4 Sec. 3-188-23E.

Dear Sir:

In reply to your letter of September 5, the records of this office do not reflect that the well covered by the above captioned bond is in such a state as to warrant the cancelling of the drilling bond. There is no Notice of Intention to Plug nor Notice of Result of Plugging on file. These must both be filed and approved by Mr. Roy Yarbrough, State Oil & Gas Inspector, Hobbs, New Mexico.

Very truly yours,

OIL CONSERVATION COMMISSION
