Dear Mr. Waters:

As of this date our records do not reflect Form C-110 showing a change of ownership from William Hudson to Frank B. Waters on the well in the SE/4 SE/4 of Section 9-18S-26E. The filing of this form will be necessary before we can release William Hudson's bond.

Very truly yours,

Dear Sir:

Very truly yours,

As a result of the investigation conducted by the  
Astoria, New Mexico, Oil Conservation Commission, it was  
found that the production of oil from the land owned by  
you is in excess of the amount allowed by the law.  
It is recommended that you reduce the production of oil
