Dear Mr. Waters:

This letter is written in regard to your Torres No. 1 well in the SE/4 SE/4 of Section 9-18S-26E (Formerly Hudson and Hudson) and your Kissinger No. 2 well in the SW/4 NW/4 of Section 10-18S-26E, Eddy County, New Mexico. Your Torres well has been completed for some time and your Kissinger well is plugged and abandoned.

In order to make our files complete, we need a Form C-105, Well Log, on both of these wells submitted in quintuplicate.

Enclosed are some forms C-105 for you convenience.

Yours very truly,

OIL CONSERVATION COMMISSION
