Oil Conservation Commission
321 Carver Building
Artesia, New Mexico

Dear Mose:

We are enclosing a copy of the letter showing approval of the John Eisner bond.

We are still unable to locate a well file on the well in the SE/4 SE/4 of 9-18-26 for the well which was started by William Hudson and later, according to the C-110 in your file, changed to Waters. I would, therefore, suggest that you send your well file to Hobbs by Gressett next Wednesday to be reproduced on the copying machine.

Yours very truly,

A handwritten signature in cursive script, appearing to read "A. L. Porter, Jr.", is written over the typed name.
