Gentlemen:

This office has been receiving two copies of Form C-115 for the months of October, November and December on the Torres Well No. 1-P in Section 9, T-18-S, R-26-E, Atoka Pool. The C-115's have been filed by Frank Waters Oil Co. and William Hudson indicating each as operator, and further indicating different production figures.

Your early attention to this matter will be appreciated.

Yours very truly,

OIL CONSERVATION COMMISSION

OIL CONSERVATION COMMISSION

HOBBS NEW MEXICO

TO THE COMMISSIONERS OF THE OIL CONSERVATION COMMISSION  
FROM THE OIL CONSERVATION COMMISSION  
SUBJECT: [Illegible]

WHEREAS the Commission has received information that certain oil and gas properties in the State of New Mexico are being operated in a manner which is wasteful and inefficient and which is contrary to the public interest and the conservation of the oil and gas resources of the State;

AND WHEREAS the Commission has determined that it is necessary to take action to prevent such waste and inefficiency and to conserve the oil and gas resources of the State;

THE COMMISSION HEREBY ORDERS that the said properties be operated in a manner which is efficient and economical and which is in the public interest and the conservation of the oil and gas resources of the State.

WITNESSED my hand and the seal of the Commission this [illegible] day of [illegible] 19[illegible].
