Re: Mildred Lee # 1-A
Sec. 21-18S-26E.,
Eddy County, New Mexico.

Dear Sir:

On July 14, 1960, Mobil Oil Company transferred subject 40-acre tract with a producing San Andres well to me. Shortly thereafter, the well was plugged by Mr. Ross Brunner to whom I assigned the lease. Mr. Brunner, in turn, incorporated the 40-acre tract in the Atoka-Pennsylvanian gas producing unit comprising the N/2 of Section 21.

In order to comply with State regulations, it will be necessary to have a change of ownership form C-110 transferring subject well to me from Socony Mobil Oil Company. You will find enclosed original and four copies of this form for your signature and forwarding to the Oil Conservation Commission, P. O. Drawer DD, Artesia, New Mexico.

Upon your filing the C-110, I will in compliance with Mr. M. L. Armstrong's advice file a form C-110 reflecting the transfer of ownership from me to Ross Brunner, 702 V & J Tower Building, Midland, Texas.

I will appreciate your advising me when you have filed the enclosed C-110's.

Thanking you in advance, I remain,

Very truly yours,

CCL/bh
